

CIDERS

Real Apples. Real Character.

From traditional farmhouse blends to modern fruit infusions, our ciders showcase the best producers from across the UK. Crisp, cloudy, still or sparkling – there's a cider for every palate.

- 01** GWatkins - Hereford
BLACK DOG 4.0%
Romancing back to cider and black, this cider is made with apples and blackcurrants.
- 02** GWatkins - Hereford
RED DIESEL 4.0%
Named after fuel used to drive tractors on farms. A blend of apples and strawberries.
- 03** GWatkins - Hereford
STOKE RED 6.0%
Single variety as the name would suggest it is a strong red colour. The apple takes a long time to ferment which makes the cider late to mature.
- 04** Newton Court - Leominster
GASPING GOOSE 5.8%
Made with a blend of organic varieties giving a well-balanced golden medium bodied cider.
- 05** Newton Court - Leominster
FARMHOUSE SCRUMPY 7.4%
Traditional strong dry farmhouse cider, stored in oak barrels. Not tapped until you've heard the cuckoo.
- 06** Newton Court - Leominster
FIRST PRESS 4.8%
Made with eating apple varieties cox and russet to create a lighter, fruitier cider.
- 07** Barbourne Cider - Stourport-on-Severn
BARBOURNE OAK CASK 7.4%
The cider has been fermented and conditioned in Whisky casks to achieve a deep and full flavoured dry cider.

- 08** Celtic Marches - Herefordshire
ABRAHALLS AV VINTAGE 6.0%
The cider is made with a blend of Dabinette, Yarlington Mill and Harry Masters cider apples. It has been matured into a finely balanced, smooth and sparkling golden drop.
- 09** Old Monty - Garthmyl
KINGSTON BLACK 6.0%
A single variety cider made purely from the superlative Kingston Black apple. It's complete balance of flavour making it one of the few apples that can be used without blending.
- 10** Old Monty - Garthmyl
SWEET ANITA 5.0%
A cider made with hand-picked apples to give you a full bodied sweet refreshing finish.
- 11** Hunts Cider - Devon
HAZY DAZY 4.5%
A classic sweet cloudy cider.
- 12** Ralf's Cider - Old Badland
MEDIUM 5.0%
A blend of 100% apple juice with no added yeast.
- 13** Ralf's Cider - Old Badland
DRY 6.0%
Made with apples pressed through hair on a Victorian oak beam screw press.

TASTE GUIDE

Ciders and perries are normally described as sweet, medium or dry but can be further categorised as being medium sweet or medium dry. This is largely a description in that one person's medium cider could be described as another person's sweet cider!

i Ciders do not normally contain gluten, but may contain other allergens based on fruit or spices or sulphites, used as a permitted preservative, etc. Please ask at the cider bar if in doubt.
